Hello Heromorph,

We would like to announce that the Heromorph Complete series is about to become much bigger. In celebration of the upcoming latest release we are having a sale on the entire Complete series.Adara will soon have an expansion package and update to her base package to be brought into the complete series.

The release of the new expansion and complete bundle for Adara will come very soon.
Currently you can pick up the Adara base package (that will be updated soon) for one heck of a deal as well
