hey Morphites,

hope we had a good Turkey Day. anyhoo, here's an interesting request/idea. I was wondering who here is a Whovian (fan of DOCTOR WHO)? I have read numerous stories where the TARDIS takes a human form. so, I was wondering if anyone here can draw what the TARDIS would look like as a human being. this request is a bit different in that the artists here get to use whatever model, link etc. to inspire them or they can use their own imagination. so anyone up for this?
