So, depending on your timeframe, count me in. No dead lines, This is going to be an ongoing thing people can sign up and drop out at any time. I am going to run a very loose ship on this one. I know you are busy Matrix so I won't give you homework **yet**, I will wait till you at least post EVA.

Batmic - OK I have put a lot of thought in to this, and here is what I came up with. I would like to see you do a Multiple character action shot. Preferably with the characters Interacting with each other. Special effects are optional, But I would like to see character interaction with this picture.
