hey Morphites,

I was putzing around the net, when I came across MOVIEFONE and it had listed the worst films of the year. I decided to share it with everyone here so they could see if their "favorite" made the list. here is the link:

www.insidemovies.moviefone.com/2009/12/23/worst-films-of-2009

here's the list. comments are welcome.

10. I Love You, Beth Cooper
9. Couples Retreat
8. Whiteout
7. Land of the Lost
6. The Ugly Truth
5. Transformers 2
4. Old Dogs
3. Year One
2. All About Steve
1. Miss March

the only two on this list I saw were Transformers and Land of the Lost and I actually liked them. anyhoo, anyone have any comments on these films or are there films that should've been added to the list?
