hey,

I also thought GI Joe was fun. Oscar winner? no.
educational serious film? no. fun way to shut your
brain off for two hours and enjoy. absolutely. I
might agree about Bruno. I didn't mind the first
ten minutes or so, but after an hour, it was like
"Okay. we get the joke." and I left. as for T2 (not
the Arnold film)it was also good popcorn as was X3
and Wolverine. (a side note about Transformers-Megan
is reportedly going to buy it in the third film.)
I think Ryan Reynolds was a great Deadpool and the
guy who was Gambit was amusing too.
