Ooops forgot to comment.

I do not think I have cried in a movie since Old Yeller. As for "I am legend" I saved my girlfriend from an emotional break down because I called doggie death 5 minutes into the movie. She said if she wasn't ready for the movie that she would have totally lost it.

Women...

But yes, it was very sad.

Yeah, I just don't think I have cried. Movies are so predictable now that they just aren't sad.
