I hope it's not too late to change a couple of votes. I've been going through the galleries to try and find the best artist and I confess, there's just too many great artists for me to choose from. While I was browsing though I found THE sexiest image: "Banzai Girl's Jinky Coronado: Merry Christmas". My reason? Look at the picture,it says it all. As for best group image: Nerd Kingdom 2.0 by Android. The colors, the details, the imagination it took to put that image together...Awesome art.Exactly what Heromorph stands for.
