screw that. none of the movies listed so much as made me tear up, in fact few of the movies listed in this thread got so much as a swellin in the heart..... but lets take some movies like "The Patriot" and "Signs" with Mel Gibson. Two particular scenes stuck with me.

1. "The Patriot" when the red-coats kill his boy..... moving.
2. "Signs" the scene where his wife dies... moving. O.K. so Mel Gibson is a bit of a douche..ah so what....his acting is supreme.... and then there's Will Smith in "Hancock" right right there close to the end, struggling to his feet so he could save Charlize Theron's character and himself from dying.... very moving.

of course there's those listed in the thread...

1. The Pursuit of Happiness
2. John Q
3. I Am Legend

all brought a bit of a tear.
