Thanks for the mention, Star and Hal! Lazyboy that I am, I only do my own modeling when I can't find something else somewhere cheap to fit the bill. For both Shadow and Mr. A, I just used DAZ products with some slight modifications to create the characters. For the Shadow outfit I used:

C.I.S. Operative for M3 by Lordes

and for Mr A. I used:

Michael 4 Business Suit by Predatron & Diane

and Relic Hunter Essentials by WillDupre (for the hat).

Hope that helps, wmwconnors.
