I think you're really reaching on this. While they may be overly affectionate with each other [to an almost sickening level] I have never seen anything that remotely suggests that Wanda and Pietro have shared a romantic relationship. Heck the brothers and sisters on "Eight is Enough" hugged and touched all the time, but did anyone ever think that way about them? I really think you're making a mountain out of a molehill.

I agree... the sited sources may be amusing but not enough for us to start gettin' all knee jerky in our reactions.
