I was going to start a new thread for this awesomeness.... but decided not to.

This is really kick ass! It takes a year to download, but I thought it was worth it. My only beef is that the hot Jedi is wielding a saberstaff.... which was primarily a Sith weapon.

<http://ve3d.ign.com/videos/play/74141/PC/Star-Wars-The-Old-Republic/Trailer/E3-2010-CG-Trailer/FIash-Video>

Enjoy.
