she was pretty badass alright.

if I didn't know any better, I'd swear Jr. really likes Star Wars.....

Who Me???? Nah!

Yeah Darque... I had to watch that chick a few times... Smokin' hot and bad as F**k! Although... I am confused as to why she was using a saberstaff? Those are primarily a Sith weapon. Oh well, it was kick ass all the same! I think I just nerded out.
