Jr forgot to add this one.

You *think* I forgot to add that one?
 Have you read this thread?

Since you are too lazy to go back one page... here, let me share it with you, again, in all its (close to)HD glory.

http://ve3d.ign.com/videos/play/74141/PC/Star-Wars-The-Old-Republic/Trailer/E3-2010-CG-Trailer/Flash-Video

It does take 100 years to download... but man, it is pretty!
