Beautifully done.

There is Soooooooooo much in there, 'tis gonna take me a while to absorb it all.

Action, Adventure, fighting, Pirates, Romance....all it needs is some ROYS's and 'tis better by far than "The Princess Bride."

Great job on ALL of it. I've been waitin' for the second installment, (Like I waited for Guns N Roses to come out with new material back in the 90's) and exactly opposite GNR, YOU did NOT disappoint.

Very Well illustrated, choreographed, dialogued... yes, very well played.

I may comment more when I actually stop laughing...
