Okay, we all know times is tough. But after chatting with The McDeath in the Shoutbox, both MissVee and I have learned that Jr has only 50 cents, with no business and no foreseeable income, and apparently no food. I have been suggesting for months that he try the bacon cheddar cheeseburger with grilled onions and mushrooms at 5 Guys Burgers & Fries, but it seems like he's consistently broke, driving around with no gas, no brakes, and no insurance. Vee suggested he could eat the peanuts for free, but perhaps she's just being unnecessarily cruel. Therefore we suggest a 5 Guys fundraiser for Mr. McDeath, right here at HM. If anyone has some xtra cash to spare, a few bucks, some change, perhaps enough members could pool altogether \$6-\$8 for a 5 Guys burger/lunch for our very own JrMcDeath. How about it folks?
