Well, today my pop treated me to a 5 Guys burger. I hate to say it, but that was a mediocre hamburger at best. I wish I would have gone across the street to P. Terry's. The Burger was double meat, however, the amount of meat that was on this burger could not have been a 1/4 pound. I felt like I was eating a double meat slider from White Castle. And the fries were soggy. This was not a good burger experience. Sorry CO... but 5 Guys has gone onto my "do not return" list.

So..... No need to get me a fund for a 5 Guys burger... I won't be going back. Now, If you would like to create a Mighty Fine Burger, or P. Terry's burger fund... that would be awesome!
