Since I dont' have the skills to do this for money I see no need to go all in like you did Spydraxis. I also doubt anyone is going to snatch up my "art" when there are folks on here with MUCH MUCH more talent than I. It is just a hobby for me, one I know won't take me anywhere. That is why I didn't bother honestly. I understand and respect your stance though, it makes sense from that point of view.
