For those of you that have purchased "April's Le Tout Burlesque" or are fans of April, there is now a review feature at the IndyPlanet catalog listing, under the "Extra Info" tab. You can write a review of the comic there, comments, snide remarks etc, heh! heh!

It may be something to consider for those of you that personally told me how well you liked the comic and help spread the word. Thanks everyone for your generous comments and support!
