LOL! I thought I was the only person who enjoyed LEXX. Especially the episode titled "Brigadoom". It's the one that really drew me into the series, and the Brunen G battle song sticks in my head still, after all these years. I've seen every episode, so I really wish I coulda caught this question when it was first asked. . .I woulda been able to answer it immediately.

Thanks for reminding me. . .time to break out the old DVD collection again, I think.
