Hey guys and gals, I have finally wandered around the web and found my way back to where it all began. Things have changed around the old palce and it looks good lots of new art and artists to look through so I will be doing that some and I look forward to catching up with all of you again. I will try to catch up with you guys in the shoutbox as I see you guys. I posted a Halloween pic in the Jr.'s FunHouse that I have just finished. I see the Comic section has really taken off, I will have to try and post my comic book I have been working on here too. Well it is late so it is time for MC's bed time, I look forward to talking to you all.
