hey kids,

I was checking out www.mania.com and I saw an article saying they were planning a new HULK TV show as well as CLOAK AND DAGGER. should be interesting. the old HULK show was entertaining as well as the movie (even if it didn't do well). I'm curious as to how they pull off C&D, especially given that D's lovely bodysuit has a cutout dagger shape that plunges down to just below her crotch. anyhoo, here's the article:
