No, I didn't mind the XMen outfits at all... I was just pointing out that no one is accurate with the costumes. Errrr.... Fantastic Four was pretty close to 'comic book correct' as well. Yeah, Pfeiffer's catwoman suit was a good one...to bad the movie was so horrible.

I would like to see what they do with Dagger... If it isn't a jumpsuit, it is going to be an outfit a runaway would wear, just all white.

Could be interesting.
