Cloak and Dagger? Really? That will fail because other than the comic book people (Us) no one has ever heard of them. But I would like to see it.

The clothes aren't an issue. Didn't you see Catwoman, or X-Men, or bla...bla...bla. Spiderman is the only suit that was correct for the comic book. They will end up putting her in a white jumpsuit and she will have a dagger on her chest pocket, or a tattoo.

I can do without another hulk. Pick someone else.

Jr's right, and also this news has been all over the internet, not just here or on Mania. In fact my wife saw it a couple of days ago on either Facebook or Yahoo, but I had already seen it somewhere else on the net. But anyway, she was all excited because the original Hulk TV show was one of her favorites, and would love to see a new one. Also, she thought that by "Cloak & Dagger" they were making a show out of that old Dabny Coleman movie with the kid and his imaginary action hero friend Jack Flack.

I had to explain to her that, it's something totally different with the same name.
