Ok it has been a long time since we had a no good low down monthly challenge here at Heromorph. Part of the problem was lack of participation. but I figured What the hell lets try again.

This was a really fun challenge.

Take an actor and or celeb (it doesn't even have to be a real one..ie: Mickey mouse) that totally would be the wrong choice for a movie/comic character and then do an image of his as the character.

We had this contest a few years ago and here were the images I did for it back then.

Due end of the month or before.

No prizes, no limits on the number of pictures, no real rules other than to have fun.

Images can be drawn, 3d, manip, crayon, whatever
