Coming soon for your enjoyment, Lady Shiva: Attack of the Blonde Bimbots. The story centers around a for hire Super Hero and law enforcement organization that augments the police department in Empire City. Being that it is from me you can count on lots of Latex, Bondage and mind controlled large chested Heroines. Look for it to start here soon.

A Shadowhawk Productions.

EDIT:

Issues 1 - 4 are now in the comic section.

Take a look at them and discuss them here!!
