So, dare we say this thread, older than most of our members. has finally been laid to rest?! :)

No way DW.

The main reason is that the casting that has been done for this is a tv show not of course a movie.

Now that it is going to be a tv show. it will get canceled after a couple of years but then people might start to think about making a movie. so we still have a good 4 to five years before that will happen.....
