Sorry guys was all my fault. I hate that I created more work for Winterhawk and the guys. It won't happen again and thanks for EVERYONE'S hard work and patience.

I know you have been gone for awhile but let me tell about how we have been doing things here at HM.

No matter what, even if you did it and there is proof you did something. Even if it makes no sense at all. When something goes wrong. you Blame OCP.

Dar is also an acceptable scapegoat in any situation.
