Hello! I am currently active freelance illustrator. I'm looking to offer some commission work to help cover some recent medical bills. Here are some examples of my work and price listing. If you have any questions please feel free to email me in regards. I currently only accept paypal for the transactions.

\$20 for a single character black and white drawing

\$35 for black and white ink tonal work <http://neocene.deviantart.com/gallery/?offset=72#/d24e5hx>

\$40 for a one character full colored piece <http://neocene.deviantart.com/gallery/?offset=96#/d237duw>

\$60 for a one character fully digital painted piece.

\$75 for a full pencil/ink/lettered sequential art page. Great for any of those sexy comic book stories you've had in your head! <http://neocene.deviantart.com/gallery/?offset=48#/d2lzljk>

for 3D commission similar to <http://neocene.deviantart.com/gallery/#/d368076> I charge 30.00 for a 2 character shot. That takes into account posing and rendering time. (caution mature content)

add \$15 for each additional character you would like included.

Anything up to an R rating is acceptable. Anything more please send me a note to in regards and we can work something out!

Thanks for the help and support!
