hey kids,

what is up? I was wondering if anyone here as ever read ALPHA FLIGHT. it's a fun little series about a group of mutants who could be called "Canada'a version of the X-men". I have a number of issues and I find them entertaining. I find myself musing that maybe there should be a movie with them. if so, who would be cast as who. I was thinking:

James Hudson/Guardian-Ryan Reynolds  
Heather Hudson/Vindicator-Trish Stratus  
Walter Langowski/Sasquatch-Nathan Fillion  
Nayra/Snowbird-Scarlett Johanssen  
Jean-Paul Baubier/Northstar-Michael Buble  
Jeanne-Marie Baubier/Aurora-Bianca Beauchamp  
Madison Jefferies/Box-Joshua Jackson  
Lillian Crawley/Diamond Lil-Natasha Henstridge

we like? anyone here (especially from the Great White North like our wonderful moderator WH)have an idea or two? looking forward to the feedback.
