...Aquaman? Really? He is the most worthless Superhero ever.

How come you never see anyone ripping on the Submariner from Marvel...biggest difference ankle wings vs marine life control

This isn't a thread about Namor. But if you ask, he is worthless as well, but he is honorable, has super strength, and can fly. Aquaman... well, he fights dirty, he lost his hand in a fight and can talk to fish. Weeeeeeeeeee! Even I hand feed my Oscars, and i am fat and slow. (Those are fish...) Whats the big deal?

How ever, I guess if you need to ride a whale, then Aquaman is your dude!

I do like your call on Neil Patrick Harris. He would make a good Flash.
