hey Morphites,

greetings to all, including our friends to the North.
I was wondering who here is an ALPHA FLIGHT fan. I am taking a poll about a certain hot Alphaite who is a speed demon and has several personalities. I refer to one Jeanne-Marie Baubier aka Aurora. her personalities are:

1. the straight-laced strict Catholic
2. the slutty flirt
3. a combination of both

there are probably one or two more I am unaware of, but I am wondering which personality do we like best? I personally like 2. you may get your heart broken, but you at least get a night or two out of it. thoughts?
