but i feel that we should be excited that they are making the movies themselves and we aren't just stuck watching the old captain america movie or that awful justice league movie...so the costumes don't exactly match, that doesn't mean the whole movie will suck.

You're right Billy!...I remember I was one of those angry fans when I saw for the first time Bale's batman costume, just because I didn't liked the cape and the cowl...but when I saw the film I realized I was wrong.
