I started watching the show Rizzoli and Isles last year and when I saw Angie Harmon, I immediately saw her as Wonder Woman. She's got the right look. She's tall and beautiful and she looks like a woman not a girl. One of the problems I had with the new Wonder Woman show was Adrienne Palicki, beautiful as she is, looks like a girl, not a woman. Know what I mean? She's got a little Lynda Carter to her look.
