Well, I managed to get a copy of the Wonder Womna pilot and after watching it all the way through, I have to say this: DEAR GOD GIVE ME BACK THAT LOST TIME!!!

Horrid, o.k. some parts were good, but overall... HORRID. No wonder the pilot never got aired. This would've angered A LOT of the diehard fans and made DC look a lot worse than they already do when it comes to films and television.

Agree 100% with you.

I still remembered all the fuzz when WW killed Maxwell Lord and now in this... this aberration, she has no problem killin' any bad guy at sight. C'mon!
