CONAN... watched this one last night. What can I say? I had low expectations of this one and quickly discovered, those expectations were unwarranted.

DAMN this was a good film. Rose McGowan looked a little freaky, of course, you can't expect anything less from someone who had "relations" with Marilyn Manson's frontman.

The new Conan...sorry Arrh-nold, but this guy made it believable. Love the gore, love the action, but there was one scene I found a little lacking... I wanted to see less of Conan and more of the leading lady... just sayin'.

and Ron Pearlman as Conan's dad? come on..whats not to love about that?
