I just saw Captain America, and it f\*ckin' rocked!!!! If i hadn't already been a cap fan, i would have been converted....this is a must see for comic fans....

funny point: "I thought he would have been taller!"

Rant: hated the musical parts

loved the red skull! spot on!

chris evans WAS steve rogers...forget the human torch!

oh, btw: did anyone catch the origiinal human torch at the science fair? i thought that was a great tip of the hat to alex ross's "marvels".

anywhoo...time to go to bed. see ya'll later
