That time of year is approaching in which the things that go bump in the night come out to play. A time, when even the bravest of Heroes check for monsters under the bed, Boogy men in the closet. What does this mean for you?

It means:

We are hosting the Annual Heromorph Halloween Contest. Sign ups will end on the 27th of September. After we get a list of people that want to participate, you will then be sent a PM on the site to tell you who you will be teamed up with and submission instructions. Each team will have until October 28th to submit their best Image depicting super heroes in situations of Horrors, Fears, or peril.

When you sign up please tell us what media you work with, and what program. I.E. Photo Manipulation using Paint Shop Pro or Photoshop, 3D Rendering using Poser or DAZ 3D, or Drawing. This will help us better pair your teams. If you are unable to complete your image, please let one of the Moderators know no later than a week before the due date.

Any Questions please send a PM to Dark_Wanderer.

Thank you and let the screams begin!.
