Thanks for the reply (with all the views to this post, I was wondering if anyone knew what I was talking about).

Anyway, I did some extra searching, and found that your ShareCG hint was both successful... and not

Someone at the Daz3D forums pointed out this link, which is from the HM Downloads site:

<http://heromorph.com/hmdownload/readme/ScarletWitch.htm>

But its not there anymore.

He is over at ShareCG (http://www.sharecg.com/pf/full_uploads.php?pf_user_name=tylermcdowell), but the outfit isn't there either.

I'll try to contact him and see if he still has it available.

Thanks again!
