UGH... I need to do a piece.... I am in.

My Three:

Harley: Any costume... but prefer to see the Arkham Asylum "nurses" outfit. She is a Doctor... why would she dress as a nurse?

But dang... it is much more sexy than the Blam and Red "latex" outfit.

Rogue: Leather Jacket Days

SpiderWoman: Jessica Drew

I always prefer a photomanip, but 3D is great too!!

Please keep it clean & tasteful, I have no desire to see Parker's Peter lol

Don't worry... no one wants to see Parker's peter.

Its Dar's fault!!!
