So you didn't hate the original Wonka? If that is what you are saying then PHEW... I thought there was going to be trouble with you.

However... if you did hate it then SHAME on you!!!

I actually like the original Conan's story better than the new one. So, there is another reason why the new one wasn't as good. PLUS, I would expect Conan to have an accent of some kind... not perfect english. Now that I am talking about it... yeah, the new Conan did suck.
