OCP you did yours backwards.

Empire Strikes Back - Mark Hamill

The only problem with TV is a lot of the bigger star don't have big co-stars. We could hit a wall if you said an actors name that is in a TV show that doesn't have any stars that have been in anything else. But Heck... why not. This thread probably won't last that long anyway.

So Movies and TV.

So, we are on OCP's entry:
