This one is easy, just saw this movie last week.

In Time - Justin Timberlake

Cameron Diaz wasn't in "in Time" but anyway. JT

Edison Force - Piper Perabo

I believe the purpose of the game is to pick a movie with a co-star in the previous movie, so Cameron Diaz was not suppose to be in In Time, but JT yes. So, my answer.

Following yours, Piper Perabo, didja kown she has portuguese roots? Only found out today in a newspaper special.

Coyote Bar - John Goodman
