Ah, this format is funny, I keep missing the link.
When we used to play this as a drinking game you would have to say it like "Amy Adams was in Night of the Museum, Steve Coogan was in Night of the Museum, Steve Coogan was in I'm Alan Partridge"

So I try again.
Jeff Bridges was in The Big Lebowski, John Goodman was in The Big Lebowski, John Goodman was in Coyote Ugly.

John Goodman was in Coyote Ugly...

Now if it's your turn and you can't answer, drink! Same question to the next person, and so on. If it goes around the table back to (me) I win.
I hope no-one is cheating by looking these actors up on the internet!
