superhero cards from 1990's

I have quite a few of them still some scanned on photobucket (no not trying to sell them here) was wondering if anyone would like any of the old characters of them to do like photoalterations or fan-art or stuff?

ones I scanned in the past are here -> <http://s516.photobucket.com/albums/u322/graffik/> categories to the right usually in high res

Or heck just use 'em as background images

or just use them for inspiration - or just to see the pretty colors or whatever :)
