Help me decide which you like better of these rough drafts of galactus

simple -> <http://i516.photobucket.com/albums/u322/graffik/RandomArt/face-0001.jpg>

More advanced -> <http://i516.photobucket.com/albums/u322/graffik/RandomArt/face-0002.jpg>

in both cases using metal imagery as the basis in later I used a metal garbage can for the base
