I'll have to admit, I didn't like some of the story...ok, most. WB/DC is trying to get all of it's ducks in a row for the upcoming, hush-hush, JLA movie. They all have to be in sequence with the upcoming Blue Blur, er, I mean Superman movie. I would give some key points I didn't like, but no spoilers here.

I did get a lump in my throat at the 26 minute mark, tragic what happened in Aurora, Co. My heart goes out to all the victims and their families.
