I really enjoy Clive Cussler and John D. MacDonald novels, so I combined the names of their two main characters, Dirk Pitt and Travis McGee. As far as the spelling goes, I "read" all of the Travis McGee books via books-on-tape. Therefore, I never actually saw the name in print. After I had established this name on a few sites I realized my error. I've kept it the way it was. It adds my own little touch to it.
