I'm back!...

It's been a while...and a lot has happened here on my end...BUT, Heavenly Father willing, I'll back some more.

I am 'Wolf'...and for those who don't know me...I'm the guy who does the janitorial work around here. Sweeping and mopping...cooking...answering the fan mail...but, I digress.

I've been away for a while...none of it voluntary...and--WinterHawk, you're dripping snow on the carpet again--hopefully, I can get back here when I'm --Daruma, will you please stop teasing JR's German Shepard?-- feeling up to it. JR promised to bring the MODS up to speed...Things are going too great right now...But, God Gives great rewards to those He also places through trials.

I'll try and be back later...got a tone of Meds to go through right now....
