question does it have to be a real mag or can it be completely made up

DarquelImages is right. The idea is to change the context of something that already exist so sorry, it's got to be a real mag however there are a number of fun and funny made-up mag covers in the gallery and I'm sure yours would make a fine addition so I encourage you to run with the idea and do it! Then when you're done with that, find a cover to alter and join in the fun!

Meanwhile...ANOTHER 10 FLIPS!!! :-O

First, 3 more very funny ones from chillyplasma

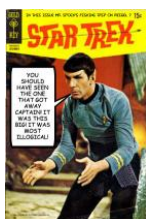

Another joke packed double flip from Darquelmages and B!

and another from Darquelmages:

as well as three more from DARTHPAUL!

Daswook joins the fun!:

and lastly, the triumphant return of BiohazardDaddy!

Great job guys!
