Let's think about this a sec... some of Chilly's ideas were GOLD, however some would take an abundance of a resource either none of us have or none of us are willing to cough up.

A Heromorph book... I really like that idea, but the cost to get it printed and published in any format other than digital would be a bit steep.

Heromorph CCG- that's just a funny concept. I can see it now, WinterHawk, BikerBot, Jr. and all the other mods would be the rarest and most powerful cards LOL

Fully agree with girl of the week.. and what ever happened with the artist interviews?

Tutorials- Great idea. Love it. How hard would it be anyway?

HM Reviews- ah.. nice nice. Not only a coverage of new comics and fresh stoylines, but we should cover movies as well.

partnerships- I do this a lot as is.. but we need more challenges/contests in which we do this.
